

SABINO CANYON
VOLUNTEER NATURALISTS

Privacy Policy

This privacy policy explains how we collect, use, and protect your personal information when you use our website, donate to our cause, or reach out to us. We respect your privacy and are committed to keeping your personal data safe and sound.

When you generously support our mission with a financial gift, you will use our donation forms, which are powered by Donorbox and processed through Stripe. During this process, they collect your name, billing address, email, and payment details so they can securely process your contribution and issue your tax receipt. We never actually see or store your full credit card numbers ourselves. To understand exactly how they keep your financial data secure, you can review the [Stripe](#) and [Donorbox](#) privacy policies. You may request that your donation remain anonymous or opt out of future communications at any time by contacting us at hello@sabinonaturalists.org.

If you use any of the contact forms on our website, we only ask for the information we need, such as your name and email address, so we can reply to your questions or get back to you.

Information which you voluntarily provide when completing an application for our training program is stored securely in our database and is accessible only by authorized staff.

We manage our email newsletters using Mailchimp. When you subscribe, we collect your name and email address so we can send you our monthly issues. You can easily opt out of these emails at any time by clicking the unsubscribe link found at the bottom of every newsletter we send.

We will never sell, rent, share or trade your personal information with any other organizations for fundraising or marketing purposes. We only share your data with the trusted service providers mentioned above.

We may update this policy from time to time as our nonprofit grows or technology changes, so feel free to check back on this page for the latest version.

If you have questions about this policy or wish to update your information, please contact us at hello@sabinonaturalists.org.
